

Ivan Ortega

Atmospheric Chemistry Observations & Modeling Laboratory,
National Center for Atmospheric Research, P.O. Box 3000, Boulder, CO 80307 USA
(303) 497-1861; iortega@ucar.edu

Research Interests:

My interest revolves around understanding atmospheric chemistry and transformation of key atmospheric constituents using optical remote sensing techniques, i.e., ground-based, aircraft, and satellites.

Education:

- **2016** - PhD, University of Colorado, Boulder, Department of Chemistry.
- **2009** - M.S, National Autonomous University of Mexico (UNAM), Atmospheric Sciences.
- **2007** - B.S, National Autonomous University of Mexico (UNAM), Chemistry.

Selected Relevant Experience:

- **2017 - present** *Co-I*, Ground based infrared observations from Mauna Loa, Hawaii and Thule Greenland in support of the Network for the Detection of Atmospheric Composition Change (NDACC).
- **2016 - present:** *Associate Scientist II*, National Center for Atmospheric Research, Boulder, CO.

Key Scientific, Technical, & Management skills:

- Experience executing mid-Infrared and UV-Vis analysis of solar direct and diffused light to determine atmospheric composition. Expertise in the differential optical absorption spectroscopy (DOAS) and Fourier Transform Infrared (FTIR) methods.
- Currently responsible for the evaluation of key atmospheric compounds using high spectral resolution FTIR instruments at Mauna Loa HI, and at Thule, Greenland as part of the Network for the Detection of Atmospheric Composition Change (NDACC) and in Boulder, CO.
- Expertise in planning and realization of intensive field campaigns & development and implementation of long-term remote measurements.
- Basic knowledge of box models and global 3D chemical transport model.
- Programming knowledge in Python, IDL, LaTeX, and IGOR Pro.

Selected Honors and Awards:

- NASA Earth Science graduate fellowship, Boulder, CO, September 2012 - September 2015.
- Nomination for NCAR/UCAR Outstanding Accomplishment in Technical Advancement in Support of Science (2021).

Additional Activities:

- **2019 - present:** Organizer of the ACOM/NCAR seminar series: <https://www2.acom.ucar.edu/seminars>
- **2020:** Member, Scientist Hiring Committee, (2020)
- **2021 - present:** ACOM DEI participant committee
